GOVERNMENT HOUSE,
Kingston, 11th December, 1843.

MY LORD,

I have the honor to submit an Address from the Legislative Assembly of Canada to Her Majesty, relating to the Civil List.

The immediate departure of the Packet prevents my adding such remarks on the subject of this Address, as it will be my duty to submit to you as soon as possible.

I have, &c.

(Signed,) C. T. METCALFE.

The Right Honorable
Lord Stanley, &c.

Extract of Despatch from The Right Hon. Lord Stanley, Secretary of State for the Colonies, to The Right Hon. Sir Charles Bagot, G. C. B., &c., &c., &c.

dated,

DOWNING STREET,
4th April, 1842

"Having now answered all the questions to which your Despatch has "given rise; it remains only that I should request you to furnish me, with as little "delay as possible, with a Statement of the present fixed charges upon the Civil "List, within which it is absolutely necessary that you should bring the whole ex- "pense of these Departments of your Government which are charged upon it; and "it will also be desirable that you should send me an account of the Contingen- "cies which, on your accession to office, you found chargeable on the same "fund, and pressing unduly on your resources for the current year."

Extract of Despatch from The Right Hon. Lord Stanley, Secretary of State for the Colonies, to The Right Hon. Sir Charles Metcalfe, Bart., G, C. B., &c. &c.

dated,

DOWNING STREET,
1st February, 1844.

"I have received and laid before the Queen, your Despatch of the 11th "December, and the Address to Her Majesty therein enclosed, from the Legisla- "tive Assembly of Canada, on the subject of the Civil List. The Queen has "been pleased to receive that Address very graciously, and has commanded me to "acquaint you in reply, that Her Majesty learns with regret that any portion of "the enactment by which a free Constitution was restored to a part of Her "Dominions, should appear to the Legislative Assembly of the United Province "of Canada, to furnish matter of reasonable complaint. Her Majesty is well "assured that the only objects sought by Her Parliament in making, by that "enactment, provision for a Civil List, were to give stability and security to "the great Civil Institutions of the Province; to provide for the adequate "remuneration of able and efficient Officers in the various Public Departments;

"and to enable Her Majesty to make moderate provision for the declining years "of those whose best days had been devoted to a faithful discharge of public "duties, or who, by eminent services, might have merited the favour of the Crown. "Her Majesty is fully persuaded of the concurrence of Her faithful subjects in "Canada in effecting these objects. Her Majesty would gladly owe the means of "attaining them to the spontaneous liberality of Her Canadian people; and when- "ever due and adequate provision shall have been made for them by the Legislature "of Canada, Her Majesty will be prepared to recommend to Parliament the Re- "peal of so much of the Act of Union as relates to this subject. Until Parliament "shall have assented to such a recommendation, Her Majesty, equally with all "Her subjects, is bound by the provisions of an enactment to which Her sanction "has been given."
